BETHANY COLLEGE STUDENT HANDBOOK

Introduction to Bethany College

The Student Handbook, published electronically by the Division of Student Development annually, is made available to each student of Bethany College. It is the primary source regarding the College's policies for students and the expectation for students to uphold Community Standards. The Handbook also includes the resources available to students through the Division of Student Development, including various services and opportunities for involvement on campus. Once during the year, students are asked to acknowledge that they have read and will abide by the spirit of the policies and procedures outlined in this Handbook.

This August 2021 publication replaces and supersedes all previous editions of the Bethany College Student Handbook. If there is a conflict between policies and regulations contained in alternative student publications, the policy contained in this version of the Student Handbook shall have precedence. All undergraduate, residential, and commuter students of Bethany College are responsible for knowing and observing the policies, procedures, and regulations contained in this Handbook, as well as additional policies or changes in policy officially distributed or posted online during the current academic year. The expectations herein apply to all current Bethany students; once enrolled, each student is responsible for upholding the Community Standards of the college both on and off campus, which includes school sponsored activities and sporting events

The content of this document is provided for the information of the student. It is accurate at the time of publication, but is subject to change as deemed appropriate to fulfill Bethany College's role or Mission or to accommodate circumstances beyond the College's control. Any such changes may be implemented without prior notice and, unless specified, are effective when made.

Accreditation

Bethany College is accredited by The Higher Learning Commission and is a member of the North Central Association, 30 N. LaSalle St., Suite 2400, Chicago, IL 60602, 800-621-7440. Bethany has been accredited since 1932.

Other Sources of Official Information for Students

In addition to this Student Handbook, students are expected to familiarize themselves with the Academic Catalog, published by the Registrar's Office. The Catalog contains official college policies and procedures regarding the academic life of the Bethany College student, including degree and graduation requirements, admissions criteria, the academic calendar, and tuition information from the Business Office and the Office of Financial Aid.

Bethany College Mission Statement and Campus Principles

Mission Statement

The mission of Bethany College is to educate, develop, and challenge individuals to reach for truth and excellence as they lead lives of faith, learning, and service.

Values

All people who share in the Bethany experience are united by our core values. Students, faculty, staff, alumni, parents, and friends experience and practice these values, which are at the heart of Bethany.

Integrity is both personal and communal as we seek knowledge, strive for understanding, and carry out Bethany's mission. As we aspire to excellence in all that we do, we remain faithful to Bethany's identity and our calling to "inspired learning and informed faith."

Hospitality encompasses the genuine care, grace, and generosity that is shared among all those who come in contact with Bethany. Recognizing that each person is a child of God, all who enter Bethany's community learn to live more gratefully and faithfully.

Community is formed at Bethany as we bring our diverse gifts and talents together for our common mission and purpose. Because we care deeply about one another, share a sense of personal and social responsibility, and seek to communicate openly and honestly, our relationships are marked by mutual respect, forgiveness, and trust.

Servant Leadership that is grounded in service liberates all who work and study at Bethany to be skilled, empathetic listeners; to develop problem-solving skills; and to embrace the challenge of guiding others. As we seek to be servants first, our motivation for leadership grows out of our commitment to the common good.

Sustainability is our stewardship of all aspects of the Bethany community both now and for future generations. Bethany's policies, campus, and people are attuned to the judicious use of resources in order to care for all of God's creation.

Excellence is the standard by which we will evaluate all that we do for our students and our community. Our continued pursuit of excellence in all that we do will assure that Bethany is an outstanding institution.

Vision

Bethany College will be celebrated in the Midwest and the Evangelical Lutheran Church in America (ELCA) for offering inspired learning and informed faith that result in student success and community transformation.

Promise

At Bethany College, we value individuals and believe in community. We know every human being is worthwhile, can make valuable contributions in the world, and is responsible for doing so. Working together is service to one another builds character, deepens relationships, improves our quality of life, and brings meaning to life. If you choose to join the Bethany community as a student, you can expect: Personal attention within a caring community; Active learning and meaningful practical experience--in and beyond the classroom; An educational experience that prepares you for a life and career of consequence; To be an active participant in your own education and in the life of the college; and To be a part of something bigger than yourself.

Statement of Commitment to Being a Community of Inclusiveness and Diversity

Bethany College strives to affirm its commitment to being a community of inclusiveness and diversity by its Christian heritage and by its respect for human dignity. As the Church in mission in higher education, Bethany College is expected

to respond to the gospel by recognizing more fully that the inclusive nature of this College is manifested in the gift of diversity. Likewise, as a human community, we are called to recognize the dignity and the worth of all persons and to embody in our community in as full a measure as possible the full richness and diversity of people.

The gift of diversity strengthens and enriches us. It brings us to listen to the voices and needs of others. We must learn more about each other and be more understanding of and sensitive to one another's customs, values, and needs. Our task is not to try to change or diminish these differences, but to share them lovingly with one another. By respecting the uniqueness of others and rejoicing in our diversity, we will find unity, peace, and justice.

We acknowledge the presence of diversity within the Bethany College community. Our diversity has many dimensions, for students, staff, faculty, and administration, including age, gender, race, cultural and ethnic origin, religious beliefs, sexual orientation, ability, marital status, and employment categories within the college structure.

Bethany College declares its intention to actively bring about a more fully inclusive and diverse college community, one which:

- is free of myths and stereotypes about gender, age, orientation, ability, religion, race, and cultural and ethnic background;
- confronts racism, sexism, and other forms of discrimination wherever and whenever they may appear in the life and values of the campus community;
- adopts policies and practices that acknowledge and protect the rights and dignity of all persons and which provide equitable access to resources;
- encourages and expects teaching and advising practices, professional behaviors, and uses of language that promote the elimination of inappropriate, prejudicial, and demeaning attitudes, assumptions, and stereotypes about sex roles and racial or cultural identity;
- encourages the use of inclusive languages about God in the college's worship life;
- in hiring persons to fill positions at the College, seeks actively to employ women and persons of all races and diverse cultural and ethnic backgrounds in all categories of employment;
- fosters an appreciation of diverse religious traditions and value systems; and
- works to continuously educate all administrators, faculty, staff and students about the issues, needs, and concerns of people from diverse backgrounds.

Concern for inclusiveness and diversity must permeate the student recruitment process, the employment and advancement of faculty, the administration and support staff, the design and implementation of curricular and co-curricular programs, the selection of the Board of Directors, and all other aspects of the life and operation of this college. Our mutual task, then, is to facilitate relationships which are defined by justice and love for one another. We are enriched by full partnership and fellowship among women and men of different races, cultures, and beliefs. Bethany College calls upon all members of the campus community to take responsibility for implementing this declaration.

Approved by the Board of Directors, October 17, 1988

Revised and approved by the Board of Directors, May 17, 1998

Parental Communication with the Division of Student Development

The Division of Student Development encourages open communication between students, parents, and the College. The College encourages students to contact their parents/guardians regularly and keep them up-to-date with what is happening in their lives.

The Division of Student Development assumes that students, as mature adults, are able to attend to their affairs without parental intervention. Normally, the Division of Student Development will not initiate contact with parents unless the student's status with the College is seriously threatened for health or disciplinary reasons, in which case the college will initiate contact with parents or guardians in person, over the phone, or in writing. The College will follow the Family Educational Rights and Privacy Act regulations.

To honor this commitment, Bethany established the position, Equal Opportunity Officer. This individual has the responsibility of working to prevent illegal discrimination within the College. If a student believes he or she has been subjected to an act of illegal discrimination, the Equal Opportunity Officer should be contacted. The Equal Opportunity Officer is available to provide assistance in identifying and correcting discriminatory policies and practices. The Director of Human Resources has been appointed to this position. The Director of Human Resources can be contacted in the Human Resource Office, room 19 in the basement of Presser Hall, or at extension 8117.

Grievances and Ethical Violations

Grievance and Complaint Procedures

In the event a student feels that she or he has received discriminatory treatment on the basis of sex, abilities, race, sexual orientation, age, religion, veteran's status, or national or ethnic origin, the student may obtain from the Human Resources Office, located in Presser Hall, a written copy of the grievance procedures and advice on how to use this process for addressing such discriminatory treatment. These procedures comply with the provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973.

Grievances which relate to a student's status as an employee of the College may also be resolved informally or formally through the Bethany College Employment Grievance Procedure, a copy of which may be obtained from the Equal Opportunity Officer.

Using this grievance procedure is not a prerequisite to the pursuit of other remedies.
9. These rules will be construed to protect the substantive rights of interested persons, meet appropriate due process standards, and assure that Bethany College complies with the applicable federal laws and their implementing regulations.

Students granted permission to stay should expect to pay a nominal fee. If permission is not granted prior to the beginning of the vacation period, residents will be assessed a daily fee of no less than \$40.00 along with a \$75.00 improper checkout fee.

All residents at the time of check-in will receive their keys, sign a housing contract, and complete a room condition report. Students are responsible for leaving their residence hall room in the same or better condition it was upon moving in. At check-out, each resident must remove all personal possessions, clean the room, return all College furniture to original positions, complete the room condition report, and turn in all keys. Failure to do so will result in at least a minimum fine of \$75.00. A charge of \$100.00 for each missing key will also be assessed. Other damages will be assessed accordingly. Check-out must be approved and signed by a member of the Hall Staff.

Personal belongings (including, but not limited to, rugs, curtains, pictures, etc.) may not be left in a resident's room upon check-out. The College will not be responsible for any items left in the residence halls after check-out; the items remaining will become property of Bethany College, and the College will dispose of the items in a manner deemed appropriate. The cost of removing items will be charged at \$100.00/hour to the student. This charge is in addition to an

improper checkout charge. It is important for students to understand that it is not the responsibility of the Office of Residence Life to return items to students if they have left them in the halls after check-out.

Keys and FOBS

Each resident student is assigned the appropriate room and outside door keys when checked into the housing units. The keys are only to be used by that student and not transferred to anyone else. The College owns all keys for College buildings and prohibits unauthorized duplication. Possession of unauthorized copies of keys for College buildings will result in disciplinary action. If a student is locked out of their hall/room, they may contact a Residence Life staff member to gain entry into their room. If the student is locked out more than two (2) times each semester, the student will be charged \$10 per lockout for each additional time a member of the Residence Life staff is needed to unlock their door.

All keys must be returned upon check-out (voluntary or involuntary). If keys are not returned at the time of checkout, or are lost, the student will be charged \$100.00 (for each key and FOB). The fine may not be refunded even if the student returns keys after checkout, hall closings, or fines have been applied.

Student Identification (ID) Cards

All students are required to have an official and validated Bethany College identification card. All new students are issued the identification card at the time of check-in. The card is an official record of the College and is not transferable. Students must be prepared to identify themselves by showing their card upon request by a College official or for admittance to College activities. The ID card (picture and information) is not to be altered in any manner nor is anything to be added to the card.

Replacement cards can be obtained at the Student Development Office at a cost of \$10.00.

Room Change Policy

Students found to be occupying a room to which the resident is not officially assigned will be subject to disciplinary action. Room changes will occur during the second and third weeks of classes of the fall semester and the first and second weeks of classes of the spring semester; these weeks will be considered Room Change weeks. At this time anyone can apply for room changes for any reason. If granted, all moves will need to be completed by the Third Friday after opening day. No room changes will occur from the third Friday of the semester until closing week unless administratively deemed necessary.

For semester break, during the first week of December, room changes may be requested and if granted will need to happen before the student leaves for the semester (unless approved otherwise). No room changes will occur during Interterm unless administratively determined.

Room Reservations

Returning students receive room assignments at the reservation period during the second semester. Rooms and roommates are assigned based upon whether the student is enrolled as a full-time student for the following semester

and has submitted his/her Housing Registration form. Returning students will not be housed until they are enrolled as a full-time student (12+ credit hours).

New students are assigned rooms upon completion of the Bethany College Enrollment deposit and submission of the Housing Registration form.

Quiet Hours and Noise Disruptions

Sunday through Thursday, quiet hours begin at 9:00pm and end at 9:00am the following morning. Friday and Saturday, they begin at midnight and continue until 10:00am the following morning. Although many violations of the noise policy are unintentional, it is never appropriate to leave a room with the stereo, television, or radio on. Avoid holding conversations in hallways. Alarm clocks, televisions, and stereos must be turned off when a resident is leaving for the weekend or vacation. Stereo speakers may not be placed in windows with the speakers directed outward.

It is recommended that residents who enjoy loud music purchase headphones. In addition, any musical instrument or amplified sound that is a violation of the quiet or courtesy hours policy is not permitted. Any device that is a source of noise that violates the noise policy may be temporarily confiscated by staff.

Each community member, including staff, has the right to sleep, study, or work in their room without undue interference. Noise that can be heard from outside a resident room, via the hallway or the windows of the room, and that interferes with, or has the potential to interfere with these rights, is prohibited. In addition, this noise policy applies to all residence halls and apartments, including rooms, hallways, common areas, and the grounds and courtyards immediately surrounding the building. The Office of Residence Life strongly encourages residents who are having an issue with noise to take the responsibility for confronting the situation and let the one(s) impacting you know their noise is creating a disturbance. Courtesy hours are in effect at all times.

During the final exam period at the end of each semester, a 24-hour quiet hours policy goes into effect. It begins on the evening before the last day of classes at 8:00 p.m. and continues through the end of finals, at which time the standard quiet hours policy becomes effective and lasts through closing. This policy is strictly enforced and noise violations during finals result in more severe disciplinary action.

When living in a residence hall community, students must be aware of their noise level and make every effort to respect those around them. Community members are encouraged to ask others to be considerate and adjust their noise levels at any time. It is expected that residents will comply with any reasonable requests made of them. Noncompliance with such a request will result in a failure to fulfill one's responsibilities to the community, and the situation may require intervention by staff from the Office of Residence Life.

Because noise is one of the most common complaints, consideration must be shown for others at all times in order to have a successful year both academically and socially. The Office of Residence Life recognizes that noise is difficult to assess and a certain amount of subjectivity is bound to exist. Staff members, however, are charged with making these assessments and making serious efforts to contain noise to levels acceptable for a productive college living and learning environment.

Renters Insurance

The College is not responsible for the loss, theft, or damage to property belonging to the residents. All residents are strongly encouraged to carry their own renters insurance.

Interterm Housing

No student may live in College housing or eat on the meal plan during Interterm unless registered and attending an Interterm course.

Interterm tuition, up to five hours, is provided to the student by the College at no additional charge. Housing and meals are provided for all students enrolled for Interterm who reside on campus for both the fall and spring semester of each academic year. The meal plan for interterm will match the student's meal plan selection for the fall semester immediately preceding Interterm.

If a student resides on campus during the fall, and plans to reside off campus during the spring, the student must check-out of the residence hall at the end of the fall semester. If the student would like to participate in Interterm and reside on campus, a fee is required to cover Interterm housing and meals. If the decision is made during Interterm to reside off campus during the spring semester, the students will be responsible for paying the fee for Interterm housing and meals.

If a student does not reside on campus during the fall, but plans to reside on campus during the spring, they may check into the halls at the beginning of the spring semester. If the student decides to participate in Interterm and reside on campus, a fee is required to cover Interterm housing and meals.

Study Abroad/Domestic Studies: If a student engages in a study abroad opportunity during the fall semester, and would like to reside on campus during Interterm, they may do so. Their interterm meal plan will reflect their meal plan selection for the following spring semester. A student must reside on campus during the spring semester in order to receive the Interterm housing and meals benefit, otherwise applicable fees apply.

Entry into Student Rooms

Every student's personal property is respected. However, the Office of Residence Life reserves the right to authorize entry into a room when there is reasonable cause to believe that:

- An immediate threat to the health or safety of occupants exists;
- A need to protect property (college or personal) exists;
- It is necessary for the staff of the Office of Residence Life to close and secure a hall or to repair, replace, or inspect college property; or
- It is necessary to aid in our basic responsibility regarding discipline and maintenance of an educational atmosphere.

If at any time you have questions regarding the meaning or application of room entry or feel you have been subject to unfair and/or improper administration of this policy, we encourage you to discuss the situation with the staff member closest to the situation.

Health and Safety Inspections

Monthly health and safety inspections along with inspections at the beginning of each break (Thanksgiving, Christmas, and Spring Break) will be conducted in each residence hall. Staff from the Office of Residence Life will enter each room to check for potential safety concerns and damage. Residence hall rooms and bathrooms will be inspected for cleanliness at these times.

The purpose of these inspections will be to assist students in understanding that proper cleaning and maintenance of residence hall rooms (particularly showers and bathrooms) is a personal responsibility that helps to prevent unnecessary deterioration of campus facilities. Staff from the Office of Residence Life will instruct residents on how to properly clean and maintain one's room during or after the inspection. In the event that items in plain sight indicate possible violations to College regulations, the Office of Residence Life staff member will take appropriate action.

Room Cleaning

Residents are expected to maintain assigned living areas in a clean and orderly condition. Keep trash to a minimum and dispose of it as prescribed by the hall. Residents are not permitted to keep empty cans, bottles, etc., in their rooms as they attract insects. Recycle as much as possible. Residents are responsible for cleaning their bathroom, as well as the kitchen area, if their unit has such facilities.

Use of Public Spaces

Residence Hall lounges, hallways, and other public areas are meant to be used by everyone with care and respect. Therefore, disruptive behavior and disrespect for others, as well as any other circumstances deemed a hindrance, are not permitted.

In addition, if the condition of any public area is altered or abused, the person(s) responsible will be charged and disciplinary action taken. Due to the high risk of property damage and personal injury, sports, water fights, and other high-risk activities are prohibited in indoor residential areas.

Students are responsible for the community areas of the residence halls. If vandalism occurs, and if the responsible parties cannot be identified, the community may be held responsible and collectively charged the fees to restore the area that was damaged.

Damage to Residential Facilities

Any damage to a room, common use area, or its furnishings will be assessed to the student(s) responsible for the damage. For any damage outside of individual rooms for which personal responsibility cannot be determined, all residents of the floor (or hall) may be assessed equally.

Each resident is responsible for maintaining their assigned room in the best possible condition. The furniture is to be used the way it was designed and kept in the individual rooms. Students who voluntarily report damage done accidentally, for which they are responsible, will not be penalized, but will be expected to pay for the cost of the repair(s).

When fastening posters, photos, and/or other items to the walls, residents should not utilize nails, tape, double-sided tape, rubber cement, or other items that will cause damage to the walls of the room. Sticky-tack is acceptable, and may be purchased inexpensively at a local discount store.

Campus Facilities

All repair requests are to be reported by the student to our online work order system. Students can report repair requests for their room by going to <http://www.bethanylb.edu>, click on eSwede link and then click on “Bethany Maintenance Request” in the Quick Link menu. The user name is your email address. The password is bethany. Please fill in all required information and be as specific as possible when describing the problem. For example, if your toilet isn’t working, don’t just say “Toilet is broken”. Be more specific such as, “Toilet won’t flush” or “Toilet is clogged”. This will help the maintenance technician determine what tools to bring and how to more quickly address the problem. For emergency situations during normal working hours call Campus Facilities at 785-227-3380, Ext. 8143.

Community Meetings

Residents are expected and required to participate in living area meetings conducted by the Office of Residence Life staff members. These meetings are primarily called to discuss, promote, and inform residents about events or community issues and concerns. Because of the importance of these meetings, failure to attend a “required” meeting may result in disciplinary action or a charge added to the student’s account. Students must report scheduling conflicts with their RD in advance of the meeting and schedule an alternate meeting. If students miss a meeting without contacting their RD in advance, the student will be fined \$15 per missed meeting.

Open House and Overnight Guest Policy

Visitation Hours:

| | |
|-------------------------|------------------|
| Sunday through Thursday | 9:00am to 1:00am |
| Friday and Saturday | 9:00am to 3:00am |

In all residence halls, visitation is a matter of choice. Students have the inherent right to sleep and study in their own room. The right of the roommate to have a reasonable degree of privacy must be respected whenever one roommate plans to have a guest in the room. It is important for roommates to discuss the presence of all guests, and to arrive at an agreement that is acceptable to each party. Guests must be escorted by the host at all times. Host students are responsible for the actions of their guests. Residents who are hosting overnight guests must complete and turn in an Overnight Guest form to their respective RD at least 24 hours in advance. These forms can be found in the Student Development Office.

A guest is a person who is not an assigned resident of the room. A resident's right to sleep, to study, and to privacy takes precedence over the privilege of having guests in a residence hall room. Guests must be able to produce a picture ID upon the request of any college official. Residents may not have more than two overnight guests at a time, and guests may not stay more than three (3) consecutive days at a time and no more than a total of five days during a semester. Residents of single rooms are subject to the same policies and procedures.

When the activities of residents and/or a guest cause an undue disturbance to the roommate(s) or to the residence hall community, a resident's right to privacy, to sleep, and to study in the room takes precedence. Further, residents are responsible for all activities that occur in their room. The Office of Residence Life reserves the right to require any guest to leave the residence halls immediately upon the request of any staff member.

Visitation/Minors

- Childcare/babysitting, paid or unpaid (this includes childcare/babysitting of children belonging to enrolled students) is not permitted on campus premises
- Visitors under the age of 18 years old are not permitted unless they are family members of a resident or have special permission from the Office of Residence Life (minors must be registered with the Office of Residence Life; any underaged individuals in the halls who are not members of Bethany College or hosted visitors are to be reported to Residence Life staff members)
- Students or non-students who occupy or visit residence halls without appropriate authorization are not allowed on campus property (trespassers will be referred to the Office of Student Development and/or the Student Responsibility and Resolution Process and may be turned over to law enforcement officials; they will be banned from Bethany College)

Fire Drills

Fire drills are held periodically according to procedures established for each housing unit. Every alarm must be considered an actual fire, and the entire building must be evacuated. Everyone in the building at the time of an alarm must leave the building and are not permitted to return unless directed by a staff member from the Office of Residence Life or a college official.

Any student failing to evacuate a building during a fire alarm or drill will face disciplinary action.

Off Campus Housing

All off-campus students must complete the off campus housing application each academic year. This applies even if a student has always been a local resident. The following are justifications for living off campus:

1. Age 24 or older (by Sep. 1 of the academic year they are applying)
2. Plan to live with a parent or legal guardian within Saline or McPherson Counties (form required-find it on eSwede under Student Development)

3. Have full or partial custody of a dependent child (as defined by federal regulations)
4. Are currently married (paperwork required)
5. Are a veteran with at least 1 year of active duty service (paperwork required)
6. Have a health concern that makes living in any on-campus housing impossible (paperwork required)
7. Financial based concerns (documentation required)

The Off Campus Housing Committee will review all applications and determine whether or not each applicant is approved or denied to live off campus.

Full-Time Status - Dropping Below 12 Credit Hours

Students must be full-time status to live in the residence halls. If a student drops below 12 credit hours during a semester, they will be contacted by the Office of Student Development with a set of questions, which will be used to determine whether or not the student will be allowed to remain in the halls.

- Motorbikes -- these items should be parked in a parking lot; they should never be taken inside any campus buildings or residence halls
- Cooking appliances with exposed heating elements or that use oil (cooking elements with self-contained heating units, such as coffee makers, hot air popcorn poppers, microwave ovens, George Foreman grills, Air Fryers, etc., are allowed in the halls)

Laundry

Laundry facilities are available free of charge for all residents in each of the residence halls. The Swede Suite Apartments have washers and dryers in each apartment. If a non-resident is found responsible for utilizing the laundry facilities, a charge of \$75.00 will be assessed on the first violation. Each subsequent violation will be double the previous (2nd - \$150, 3rd - \$300). If a fourth violation occurs, the non-resident will be issued a writ of trespass relative to the campus residence halls.

Recycling

Bethany College is committed to recycling. Please look for recycling containers in and around every campus building where you can recycle commingled containers (glass, aluminum, steel, #1 and #2 plastic bottles etc), office paper (computer and notebook paper, envelopes, junk mail, pastel paper), newspapers and their inserts, magazines, catalogs and phonebooks, paperboard, and cardboard.

Decorating Your Personal Space

Students may request a mailbox with the Mail Department to receive incoming mail. Students will be given a key or combination to their designated mailbox.

Students will receive a notice through their Bethany College email of the arrival of a package. Students must claim their package in person from the Mail Department during office hours. Individuals must present a photo I.D. to receive their package. Department personnel will also assist organizations in preparation and regulations for third-class bulk mailings.

Although the Mailing Department functions similarly to the Post Office, it does not handle money orders, government forms, civil service tests, or insurance. These services are available through the Lindsborg Post Office at the corner of 2nd and Lincoln streets.

The Mail Department can only receive mail for current, enrolled students, faculty, and staff.

If forwarding is ever required, students must provide a forwarding address to the Mail Department attendant. If the Mail Department is not provided with a summer forwarding address, all mail received over the summer will be returned to the sender. Mail will not be forwarded to any international address. Keys to mailboxes must be returned to the Mail Department upon checkout for summer, graduation, or separation from Bethany College. SERVICE ANIMALS, EMOTIONAL SUPPORT ANIMALS, & PETS

Except for service animals or emotional support animals, no pets or animals may be brought into any residence hall facilities. This policy is due to the design of residence halls and problems (noise, odors, sanitation, inhumane treatment, allergies, etc.) inherent in keeping pets in or around the halls.

Exception: Small aquatic life (fish) are permitted in an aquarium not to exceed five (5) gallons in volume. Amphibious creatures and reptiles (including lizards and snakes) are not permitted. Fish that are dangerous or harmful to humans, or are prohibited by state or federal law, are not permitted.

In order to have an aquarium, residents must have their roommate's approval and accept full responsibility for care, cleanliness, and any ill effects that could result. If an unauthorized pet is found, students will be given notification and 24 hours to remove the unauthorized pet. If the pet is not removed, the student's account will be assessed a \$150.00 fine, and the unauthorized pet will be removed by the Residence Life staff; the Residence Life staff will follow the direction of local animal control.

Bethany College is committed to compliance with state and federal laws regarding individuals with disabilities. Bethany College recognizes the importance of Service and Emotional Support Animals to student residents with disabilities and has established the following policy and guidelines regarding Service and Emotional Support Animals. Bethany College reserves the right to amend this policy as circumstances require.

College faculty, staff, and students may ask two questions of a person with an animal: (1) Is the animal required because of a disability? (2) What work or task has the animal been trained to perform? Generally, staff will not make inquiries about a Service Animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability.

Definitions

- Disability: a physical or mental condition or impairment which substantially limits one or more major life activities. These limitations may include caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, working, and learning.
- Service Animal: a dog or miniature horse that has been individually trained to do work and perform tasks for the benefit of an individual with a documented disability. Service Animals are working animals, not pets. The work

or task a Service Animal has been trained to provide must be directly related to the person's disability. Examples of such work or tasks include, but are not limited to, assisting a person with a visual impairment with navigation or other tasks, alerting a person with a hearing impairment to the presence of people or sound, providing physical support and stability assistance to a person with a mobility impairment, providing minimal protection or rescue work, pulling a wheelchair, assisting a person during a seizure, or retrieving items.

- **Emotional Support Animal:** a domesticated animal that provides comfort to a person with a disability upon the recommendation of a healthcare or mental health professional. The comfort from an Emotional Support Animal serves to alleviate one or more identified symptoms or effects of a resident's documented disability. Unlike a Service Animal, an Emotional Support Animal does not assist a resident with a disability with activities of daily living, nor does it accompany the resident at all times. Emotional Support Animals are limited to Anna Marm, with the exception of Good Life students, who will be housed on the third floor of New Hall. Emotional Support Animals may be considered for access to campus housing, but they are not permitted in other areas of the college (e.g., library, academic buildings, classrooms, labs, etc.).
- **Pet:** an animal kept for ordinary use and companionship. A Pet is not considered a Service or Emotional Support Animal. Pets are not covered by this policy. Student residents are not permitted to keep pets, other than fish, on college property or in on-campus housing.
- **Approved Animal:** a Service Animal or Emotional Support Animal that has been granted as a reasonable accommodation under this policy.
- **Owner:** the student resident or other covered person who has requested the accommodation and has received approval to bring the "Approved Animal" on campus.

Policy Process

Procedures to have an Emotional Support Animal in Campus Housing: A student requesting to keep an Emotional Support Animal in campus housing must make a formal request to Residence Life. In order to be considered for approval, there must be a link between the animal and a documented disability. Emotional distress resulting from having to give up an animal because of a "no pets" policy does not qualify a person for an accommodation under federal law. Requests must be made in a timely manner. Incoming students requesting to have an Emotional Support Animal in campus housing should submit their request and supporting documentation to the Housing Coordinator for review and determination before the beginning of fall semester. Returning students should submit paperwork by March 1. While applications after these dates will be accepted and considered, Bethany College cannot guarantee that it will be able to meet late applicants' accommodation needs.

Procedures to have a Services Animal in Campus Housing: A student requesting to keep a Service Animal in campus housing must make a formal request to Residence Life. Requests for Service Animals in housing may not require documentation of a disability. Requests should be made in a timely manner.

Statement of Accountability and Responsibility

Responsibilities:

- The Owner is responsible for assuring that the Approved Animal does not unduly interfere with the routine activities of the campus and residence hall community or cause difficulties for students who reside there. This includes barking, noise, and other behavior.
- When completing a maintenance request form, the owner must disclose on the maintenance request form that an animal is in the residence.
- The Owner is financially responsible for the actions of the Approved Animal, including bodily injury or property damage. The Owner's responsibility covers, but is not limited to, replacement of furniture, carpet, window, wall covering, and the like. The college shall have the right to bill the student account of the owner for unmet obligations.
- The Owner is responsible for any expenses incurred for cleaning above and beyond a standard cleaning or for repairs to college premises that are assessed after the student and animal vacate the residence. The college shall have the right to bill the student account of the Owner for unmet obligations.
- The Owner must notify the Student Success Center (if the Approved is a Service Animal) and Residence Life (for both Service Animals and Emotional Support Animals) in writing if the Approved Animal is no longer needed as an Approved Animal or is no longer in residence. To replace an Approved Animal the Owner must file a new request.
- Care and supervision of the animal are the responsibility of the individual who benefits from the Approved Animal's use. The Owner is required to maintain control of the animal at all times.
- The Owner is also responsible for ensuring the cleanup of the animal's waste and, when appropriate, must toilet the animal in areas designated by the college and consistent with the reasonable capacity of the Owner. Indoor animal waste, such as cat litter, must be placed in a sturdy plastic bag and securely tied up before being disposed of in outside trash dumpsters. Litter boxes should be placed on mats so that waste is not tracked onto carpeted surfaces. Outdoor animal waste not disposed of may result in all residents with approved animals being fined to pick up and dispose of animal waste.

Guidelines:

- The Owner's residence may be inspected for fleas, ticks, or other pests as needed. Residence Life will schedule the inspection. If fleas, ticks, or other pests are detected through inspection, the residence will be treated using approved fumigation methods by a college approved pest control service. The Owner will be billed for the expense of any pest treatment above and beyond standard pest management in the residence halls.
- Service Animals may travel freely with their Owner throughout campus housing (and other areas of the college).
- Service Animals must be registered with the City of Lindsborg, if the Approved Animal is a dog.
- Emotional Support Animals must be contained within the privately assigned residential area (room, suite, apartment) at all times, except when transported outside the private residential area in an animal carrier or controlled by leash or harness.

- Owners of Emotional Support Animals must resubmit all ESA paperwork (including the ESA Agreement, veterinarian records, city registration, and a letter from a medical professional/psychiatrist, etc.) each academic year. It is important to note that city registration is based off of the calendar year, not the academic year; all registrations should be renewed January 1st.
- No maintenance requests will be completed unless the Emotional Support Animal is secured in a pet carrier or cage.
- Vaccinations: In accordance with local ordinances and regulations, the Approved Animal must be immunized against diseases common to that type of animal. For example, dogs must have current vaccination against rabies and wear a rabies vaccination tag. Local licensing requirements are followed. Documentation must be provided during initial registration with Residence Life and at the beginning of each academic year.

Health:

- Animals to be housed in campus housing must have an annual clean bill of health from a licensed veterinarian. Documentation can be a vaccination certificate for the animal or a veterinarian's statement regarding the animal's health. The college has authority to direct that the animal receive veterinary attention (City of Lindsborg licensing law is followed). Documentation must be provided during initial registration with Residence Life and at the beginning of each academic year.
- Licensing: All animals must be licensed by the City of Lindsborg. The college reserves the right to request documentation showing that the animal has been licensed by the City of Lindsborg. The City of Lindsborg maintains a list of banned animals. This list is updated and maintained through the City of Lindsborg municipal code. (The Code of Ordinances for Lindsborg can be accessed at: https://library.municode.com/ks/lindsborg/codes/code_of_ordinances.) Documentation must be provided during initial registration with Residence Life and at the beginning of each academic year.
- Approved Animals may not be left overnight in campus housing to be cared for by another student. Animals must be taken with the Owner if they leave campus for a prolonged period.
- Residence Life has the ability to relocate Owner and Approved Animal as necessary according to the housing contract.

The Owner agrees to continue to abide by all other residential life policies. Failure to comply with the responsibilities and guidelines outlined in this policy may result in fines, immediate removal of the animal from the college, or removal of the student from campus residence while being fully responsible for the cost of the residential contract. Failure to comply may also be reviewed through the college's Responsibility and Resolution Process.

CAMPUS SAFETY

Providing for the safety and well-being of members of the Bethany College community is the major responsibility of campus security personnel. Campus security officers are available during business hours and during the night, usually from about 9:00pm until 2:00am. In addition, campus security personnel provide safety/security coverage for sports events, concerts, and other special events. During regular duty hours, they check all buildings, including residence halls.

Campus security personnel are equipped with radios and cell phones so they can respond to emergencies. In an emergency situation, call 911 to connect with the McPherson County dispatcher. Students should only elect to call Campus Security, rather than 911, in situations that do not require the presence of police, emergency medical professionals, firefighters, or other local emergency personnel.

Bethany College Campus Safety Procedures

Swede Safe

Swede Safe is Bethany College's mobile phone safety app, which is also used as the urgent notification system. Swede Safe is available on Apple, Android, and Blackberry systems and should be downloaded by all students, faculty, and staff.

Why should I download Swede Safe? Swede Safe allows you to receive urgent notifications within seconds of them being released. On top of serving as Bethany College's urgent notification system, Swede Safe gives you access to important contacts, emergency guidelines, academic resources, and other tools to help keep you safe.

How does the notification system work? During an urgent situation, a push notification will be sent through the Swede Safe application. It will appear on the screen of your mobile device with important information and instructions.

Where can I get Swede Safe? Swede Safe is available on Apple, Android, and Blackberry devices. To download Swede Safe, simply search "Swede Safe" in your mobile store.

Timely warnings are issued by either the Director of Campus Safety or the Vice President of Administration, or, if necessary, at the direction of either to a designee. A timely warning will be sent in the event that a crime occurs on or possibly near the campus. The warning will be issued as soon as pertinent information is available in order to enable the

campus community members to protect themselves in the event it becomes necessary. The primary mode of emergency communication will be through the Swede Safe app and campus email.

Vehicle and Parking Regulations

All motor vehicles (including automobiles, trucks, motorcycles, and motor bikes) parking on Bethany College property should be registered with the Campus Safety Office. Registration of vehicles is usually completed during the first week of each term at the time of registration for classes, but can be done throughout the year at the Campus Safety Office. Within 24 hours after registration or acquisition of a motor vehicle, the hanger should be hung from the vehicle's rear view mirror.

Failure to register a vehicle parked on campus, as well as parking in reserved areas, Fire Lanes, or No Parking zones, will result in a fine for each offense. Receipt of five tickets can result in the suspension of parking privileges. The College also reserves the right to have vehicles towed at the owner's expense, should they disregard suspended parking privileges or obstruct traffic or access, such as Fire Lanes.

The parking lot to the west of the Science Hall is reserved for faculty and staff. Student parking lots are found north of the New Hall, to the south side of Hahn Gymnasium, the east side of Stroble/Weightroom offices, the north row of spaces east of Messiah Church, and south of Gregory Hall. All of these lots require registered vehicles.

The area behind Alma Swensson Hall is not a parking lot. However, there are designated handicapped parking spaces. It is designated as a fire lane and for very short-term loading and unloading of vehicles. The parking lot north of Messiah Church is for campus visitors and church member use only. Violators will be ticketed and/or towed at the owner's expense.

Visitor parking in the Hahn lot is only for visitors to the College. Full and part-time students, whether they live on or off campus, faculty, staff, and coaches are not considered visitors at any time. There are parking places on campus and on the streets reserved for the more severely ambulatory-impaired. Vehicles parked there must have disabled-status license plates or special authorization from the Campus Safety Office.

All campus parking lots have yellow lines to indicate parking procedures. Yellow curbs denote no parking areas. Vehicles may not be driven or parked on grassy areas or campus sidewalks. Maintenance and service vehicles are the only exceptions to this rule. Violations will result in a minimum fine of at least \$25.00 and any ground repair cost for each offense.

All parking on public streets is subject to city ordinances and is routinely patrolled by the Police Department. Vehicles may not be left on campus during the summer months. Bethany College policy is to have abandoned vehicles towed away at the owner's expense. An abandoned vehicle is any motor vehicle that does not have a current Bethany College Parking hangtag, current license plates with registration, and cannot be moved at a moment's notice. Vehicles left on college property are considered abandoned after 30 days and they will be towed. State law allows towing companies to obtain a mechanic's lien on the vehicle if towing and storage fees are not paid and they can then take possession of the vehicle and sell it.

Emergency Warning System

Tornado: A 5 minute, or until the danger is past, wavering or warbling signal. The pitch will remain constant. When the signal is sounded, you should take cover immediately.

NOTE: Under normal weather conditions the sirens are tested at 11:00 a.m. on the first and third Wednesday of each month, weather permitting.

Storm Procedures

Usually, severe weather in the form of high winds, hail, and rain occurs in Kansas from the months of March through August. In some cases, the severe weather can become a tornado. Lindsborg has two warning sirens that sound when a tornado has been seen. Also, the city of Lindsborg will interrupt cable and announce a tornado warning if the city is in imminent danger of a tornado. A tornado warning signal is a 5-minute (or until the danger passes) solid, wavering/warbling blast on the sirens. There are two commonly accepted terms for tracking tornado-type weather. These terms need to be understood and followed.

Tornado watch: Means there is a possibility of one or more tornadoes in the area. Continue normal activity but watch for tornadoes!

Tornado warning: Means a tornado has been sighted or detected by radar and may be approaching. Seek shelter immediately!

When a warning is sounded, the following are general tips on safety precautions:

- Take shelter immediately, preferably inside steel framed or reinforced concrete buildings, (in the center, under a support beam is best) or in a small room in the interior of the house, such as a bathroom or closet, to be protected from flying glass. Stay away from windows.
- In classroom or office buildings and housing units, stand in an interior hallway on a lower floor, preferably in the basement.
- In the gymnasiums, move to hallways, away from wide, free span roofs.
- Get to the lowest level and take shelter under a workbench or heavy table, go to a small windowless room in the center of the building, or stay under heavy furniture.

Residence Halls: In the event of a tornado, the following halls take shelter in the listed locations:

Alma Swensson Hall (ASH) — hall basement

Anna Marm Hall — hall basement

Gregory Hall — lower level hallway*

New Hall — New Hall Classroom

Warner Hall — hall basement

Swede Suites — interior hall or bathroom away from windows*

Perimeter Houses — interior hall or bathroom away from windows*

*If you have the opportunity to safely make it to a building with a basement, please do so. DO NOT go out into lightning, hail or thunder to enter a lower level location. Only exit your building if it is safe to do so.

Fire Safety

The safety of each individual student is our utmost concern. In the event of a fire, it is important for every person to be familiar with the stairwell and exit options within their respective buildings. Students should also use common sense when decorating rooms. If a fire occurs due to negligence or misconduct, the student(s) responsible will be held financially responsible. Tampering with fire alarms, hoses, extinguishers, pull stations, sprinkler systems, or smoke detectors is a serious offense, and a student found responsible for such behavior will be assessed a minimum of \$500.00 fine and/or dismissed from Bethany College. Moreover, persons causing false alarms, tampering with fire safety equipment, or interfering with the lawful efforts of firefighters are subject to prosecution under Kansas Ordinance 3400 Section 5-6.04, punishable by \$200 fine and/or six (6) months imprisonment.

Residence Halls: In the event of a fire, the following halls take shelter in the listed locations:

- Alma Swensson Hall (ASH) — Volleyball court
- Warner — Tennis courts
- Anna Marm — Volleyball court
- Swede Suites — Volleyball court/parking lot
- Gregory — Volleyball court
- New Hall — Maintenance parking lot
- Perimeter Houses — across the street from your residence

In the event of a fire alarm, students should be, at a minimum, fifty feet away from the impacted building.

Safety and Security Information

The Student Right-to-Know and Campus Security Act was signed into law November 8, 1990, as Public Law 101-542. This law requires colleges and universities to publish information about the institution's security policies, programs of education about security and policies on alcohol and drugs, and to collect and publish statistics on criminal offenses on an annual basis. Bethany College supports this legislation; complies with the requirements and remains committed to educating about safety and security issues.

The Campus Safety Office is located in the basement of the Pihlblad Memorial Union. Bethany College has campus safety personnel on campus during the day. During the nighttime hours, the College employs one or more safety officers to be on duty from 9:00pm until 2:00am. The safety officers are not commissioned police officers, but are occasionally called upon with the Lindsborg Police Department. They maintain an excellent working relationship with local law enforcement.

Criminal incidents or emergencies can be reported by calling 911 (or 9-911 from a campus phone line) twenty four hours a day, seven days a week. As defined by the FBI Uniform Crime Report, all Part I crimes and most Part II crimes are reported by College officials to local police. Campus safety officers may be contacted by calling (785) 212-0855.

The campus is continually monitored with safety and security, especially lighting and landscaping. Periodic input is received from students, college administrators, and outside agencies. The following media are used on an as-needed basis to keep the campus informed about safety matters: Swede Safe app, The Messenger, The Bethany Insight (weekly

faculty/staff/student newsletter), periodic newsletters from the Campus Safety Office, Swede Government Association meetings, special programs for the campus community, and other memos and announcements.

Visitors to the campus are not normally required to have a formal admission and identification process to have access to the campus. Students and staff are requested, however, to notify Campus Safety or the Office of Student Development of any suspicious persons or circumstances. Individuals not having legitimate business on campus may be asked to leave and will be arrested as trespassers if necessary. Guests in residence halls must have a student host and are subject to college regulations. The host is responsible for the conduct of the guest.

Campus residences are locked 24-hours a day. Campus Safety officers check exterior doors during their tours of the campus. Students are issued keys for the outside door and their room door and should report malfunctioning doors (doors that will not lock) to Student Development staff immediately. The safety and security of the residence halls is the responsibility of all residents. Students who prop doors will face disciplinary action. If a community continues to have door propping issues, a community fine may be levied. Doors and windows have standard locking mechanisms.

Residence Life staff members receive basic education and training in emergency procedures and crime reporting. This is provided prior to the start of the college year and in special in-service programs conducted throughout the year. Hall meetings are held at the beginning of each year to inform residents about security and regulations. In addition, programs on issues, such as fire prevention, personal safety, rape and date rape, etc., are presented on a continuing basis.

Students who receive permission to remain on campus during vacation periods may be restricted to specific locations and may be provided with special keys. Campus Safety is provided with a list of the names and locations of these students.

Questions about any of the above statements may be referred to the Office of Student Development (785-227-3380 ext. 8230). In accordance with the Student Right to Know and Campus Security Act, a statistical report for crime and Community Standards violations on the campus of Bethany College for the past three academic years is located in the Office of Student Development and on the Bethany website. The crime categories are from the FBI Uniform Crime Reporting System.

Safety in the Halls

All reasonable steps are taken by the Department of Residence Life to provide a safe and secure living environment. However, the development of a safe and secure environment depends upon the degree to which students accept responsibility for their own behavior and recognize a concern for the safety and welfare of others. If a student observes something that appears unsafe, they have a responsibility to report it to a staff member. Students can call their respective residence hall on-call phone if they need anything or if an emergency arises. The numbers for each residence hall duty phone are listed below.

Alma Swensson Hall: (785) 212-0598

Anna Marm: (785) 906-0206

New Hall/Perimeter Houses: (785) 906-0205

Gregory: (785) 906-0208

Swede Suites: (785) 906-0209

Warner: (785) 906-0217

Windows, Screens, Roofs, and Outside Walls

Because of the danger involved, climbing on roofs, using windows as entrances and exits, and scaling or rappelling outside walls is strictly prohibited. Persons throwing anything from windows or balconies are subject to severe disciplinary action. Placing anything on outside window ledges is also prohibited.

Community Safety Tips

Although precautions are taken to maintain adequate security, the college cannot assume responsibility for the loss or damage to student possessions. Take the following precautions to protect your property.

- Lock your door! Even if you are just running to the vending machines or visiting with a neighbor, make sure your door is locked. And always lock your door while you are sleeping.
- Carry your keys and Bethany College ID Card at all times.
- Room windows that are readily accessible from the ground should always be secured when your room is unoccupied and while you are sleeping.
- Record the serial numbers and manufacturers of your possessions.
- Keep external and security doors closed and locked.
- Do not allow persons unknown to you to follow you into the residence hall. It might seem impolite, but residents should all have their own keys. By doing this, you will help protect your community.
- Avoid keeping large amounts of cash in your room.
- Be alert to the presence of strangers in the living area and report them to the hall or resident assistant.
- Do not leave clothes/possessions unattended in the laundry rooms.
- Carry personal property insurance. Ask your parents/guardians if their homeowner's or renter's insurance policy covers your possessions away from home.
- If you are the victim of a crime, call the Lindsborg Police immediately at (785) 227-2988 (or call 911 in emergencies). Notify the on-call RA of your building at the number listed above.
- Ensure security doors close behind you and un-prop any security doors you find open.
- Do not allow people you do not know in your room.
- In case of emergency, dial 911.

Missing Persons Policy

(HEA 2008 Section 488)

Bethany College takes student safety seriously. The following policy and procedure has been established to assist in locating students living in college-owned housing who, based on facts and circumstances, are reported to be missing.

Anyone who believes a student to be missing based on changes in their usual routine should notify the Office of Student Development. Each and every report will be immediately investigated once the student has been missing for 24 hours. Parents of the missing student will be notified. In the event that parents need to be notified, the Office of Student Development will place the call.

- A. A representative of the Office of Student Development will collect and document the following information at the time of the report.
 - The name and relationship of the person submitting the report.
 - The date, time, and location that the missing student was last seen.
 - The general routine or habits of the suspected missing student including any recent changes in behavior or demeanor.
 - The missing student's cell phone number (if not on file).
- B. A representative of the Office of Student Development will disseminate the information to appropriate college officials.
- C. A representative of the Office of Student Development will conduct an investigation including going to the student's room, interviewing their RA, roommates, floormates, etc. Attempts to contact the student via email, cell phone, texting, social networks, etc. will be made.
- D. The Lindsborg Police Department will be contacted and made aware of the situation and provided with gathered information including the make and model of the alleged missing student's vehicle.

SPIRITUAL & WELLNESS SERVICES

Spiritual Development

Learning at Bethany College takes place in the context of the college's commitment to the Evangelical Lutheran Church in America (ELCA), the Christian faith, and the whole global human community. Bethany College sees itself as an active partner in the mission of the Church.

As the Church in Mission, Bethany College:

- is committed to the understanding that all learning takes place in the context of the grace of God as manifested in Jesus Christ;
- believes that a liberal education is both grounded in and contributes to religious faith,
- encourages respect for the individual and for diverse beliefs and values;
- fosters Christian faith, witness, and worship;
- prepares students for service in society; and
- supports the Church through shared resources.

Campus Pastor

The Campus Pastor supervises and coordinates the religious life of the College. The pastor is ordained in the Evangelical Lutheran Church in America and is called to serve the entire campus community—students, faculty, and staff—regardless of religious affiliation.

The Campus Pastor's office and living room, in the Bud Pearson Swedish Chapel and Mabee Foundation Welcome Center, offers a place for confidential pastoral counseling, for Campus Ministry groups to meet and work, for on-campus meetings, and for occasional parties and get-togethers. Students may contact the Campus Pastor at (785) 452-0969 or at truheal@bethanylb.edu.

Chapel Services

Chapel Break is scheduled for 10:30 a.m. in the Bud Pearson Swedish Chapel on Monday, Wednesday, and Friday.

The purpose of these services is to provide opportunity for the College community to gather on a regular basis, to celebrate faith, and to reflect on the meaning of life. Chapel is led by campus organizations, individual students, faculty, area pastors, and groups of persons from both within and outside the College community, in addition to the Campus Pastor. A variety of worship experiences and resource people are sought to assist with Chapel Break; and students interested in planning, leading, and participating in chapel services are urged to contact the Campus Pastor.

Campus Ministry

Campus Ministry of Bethany College is planned in cooperation with other campus programs and organizations to provide opportunities for the college community to express and grow in faith. Participation in religious activities is encouraged rather than required; responsible decision-making about one's own spiritual life is seen as an important part of spiritual growth. Religious programming is flexible, designed to meet the expressed needs and interests of students. The ministry of the campus pastor, chapel services, planned religious activities, and the ministries of local congregations provide both a framework within which students can explore their own faith and values and channels through which students can develop and express their own leadership skills in ministry and service. You may find local congregations through the City of Lindsborg's website, <https://www.lindsborgcity.org/churches>.

Faith Formation Opportunities

Worship Services: Other worship services are scheduled throughout the year to celebrate special events on campus and Holy Days in the Church year. These services include Jultide and Ash Wednesday. Students are active in worship leadership for these services.

Student Campus Ministry: Campus Ministry offers fun and spiritual enrichment for students and for the churches and youth with whom they minister. Through lock-ins, worship services, and youth events, Campus Ministry reaches out to area and regional congregations to spread the love of Christ and the joy of life in God.

Fellowship of Christian Athletes: FCA presents to athletes, coaches, and all whom they influence the challenge and adventure of receiving Jesus Christ as Savior and Lord, serving Him in their relationships and in the fellowship of the

Church. The Bethany Huddle has weekly meetings which include noncompetitive games, speakers, movies, singing, Bible study, and fellowship with friends. Athletes and non-athletes are welcome.

Peer Ministry: The mission of Peer Ministry is to create a community of students helping students. Peer Ministers are specially trained in communication, listening, welcoming, confidentiality, decision-making, and making referrals. These students reach out to help all our students make connections at Bethany.

Core Partners: Peer Ministers working through the Core Values of Bethany College in order to share the ways we live the Values on campus, in the community, and throughout our lives. Core Partners meet weekly as an affiliate of Student Campus Ministry and use the Peer Ministry Travel Guide to grow relationship building skills and personal awareness, offering opportunities to strengthen the Core Values of Bethany College across campus. The vision is for this group of Partners to share a way of being in relationship that is healthy, hopeful, and joyful, so that every student knows they are part of the Bethany College family of Swedes. All people matter; this group is focused on noticing and strengthening typical and diverse connections between people. To become a Core Partner, you need a faculty or staff who knows you to recommend you to the program.

Chapel Choir: Chapel Choir is open to all students interested in exploring a wide range of choral literature. In addition to concert performances, Chapel Choir sings regularly in Chapel worship and regional church services. They rehearse three times each week (M, W, F, 12:00pm - 12:50pm) and occasionally combine with the College Choir to perform large works. No audition is required to join Chapel Choir.

Chi Alpha: Chi Alpha (women) Christian Fellowship Group provides opportunities for fellowship, study, service, and spiritual growth.

Other groups as interests indicate: In addition to those already listed, there are retreats, special emphasis days, and opportunities to learn from visiting scholars and pastors, all of which are designed to deepen Christian commitment and growth.

Encounters: Visiting speakers and pastors from across the nation spend time on campus, learning from students and faculty while speaking in Chapel and providing times to share their expertise through a variety of venues. Students have a number of opportunities to meet these people in classroom, chapel, or informal settings.

Spiritual Care and Formation

The Campus Pastor provides individual pastoral counseling as an alternative to the Campus Therapist, allowing students to discuss spiritual, moral, ethical, relationship, and other concerns. Located in the Mabee Foundation Welcome Center, students may contact the Campus Pastor at (785) 452-0969 or at truheal@bethanylb.edu.

Health and Wellness Services

Campus Therapy Services

The Campus Therapist is located on the east side, lower-level of Pihlblad Memorial Union. Appointments can be scheduled by going to www.calendly.com/ginnyreyes, or emailing reyesg@bethanylb.edu. Sessions with the Campus Therapist are by appointment, but a drop-in hour for questions, resources, or to make a future appointment is available

Monday - Thursday between noon and one. Various types of personal counseling opportunities are offered through the Health and Wellness Center.

The Campus Therapist coordinates preventative programming throughout the year. Counseling for individuals, couples, and groups is offered by the Campus Therapist. Students may seek counseling for problems involving relationships, sexuality, grief and loss, substance abuse, depression, and interpersonal relationships. Referral to other social service agencies are provided when deemed appropriate. In addition to the more formalized counseling provided by the Campus Therapist, Student Development professional staff members may also provide support and counsel.

Standard professional guidelines concerning confidentiality are followed. On-campus students can first contact a Residence Life staff person who will in turn contact the appropriate party. Off-campus students may refer to the Contact Sheet on page 3 of this Student Handbook for a list of emergency numbers.

Students can also visit the Campus Wellness Site at <https://sites.google.com/view/bethanywellness> to find resources and information about the counseling services on campus.

Psychological Crisis Policy and Procedure

Bethany College seeks to promote healthy living in community and individual life. When College officials become aware of mental health related behaviors that pose a threat to an individual student or to others, the College shall intervene out of concern for the health and welfare of the individual student and for the adverse effects that the behavior may have on others. In instances when mental health related behavior of the student has been disruptive and/or negatively affecting others, the College shall intervene with the student, require appropriate medical and/or psychological evaluation, and establish behavioral expectations.

Procedures

In the event that Emergency Medical Transportation is called to assist a student that is believed to be engaging in or may attempt to engage in suicidal behavior, the student, not the College, will bear the cost of the transportation and psychiatric/psychological evaluation, as well as the cost of any recommended care.

If a student is not admitted for in-patient hospitalization, the student will review any recommendations from nursing staff with the Campus Therapist upon return to campus. The College highly recommends that the student meet with the Campus Therapist and seek further assistance with a licensed mental health professional in order to develop a robust safety plan.

In the event that a student is admitted for in-patient hospitalization, the Campus Therapist will facilitate a plan for continued academic and social success and reintegration into the College community. The College recognizes each case will be distinct and the plan for each student different, but the overall goal of the College is to create an equitable and sound solution for the continued development of the student. Upon reintegration into the College community, it is recommended that the student meet with the Campus Therapist within 24 hours and again within five business days of the incident or release from the hospital/treatment facility.

All records associated with the reported incident shall be kept separate by the Campus Therapist and shall not be part of the student's academic file.

Emergency Removal and Readmission of Students

A student withdrawal that goes outside of the usual reasons for withdrawal, whether that be medical reasons, mental illness, family difficulties, etc., must seek approval for changes regarding enrollment, financial aid, and housing from the Chief Academic Officer. Further information about withdrawals and readmission may be found in the Admissions and Finances section of the Catalog.

The vast majority of withdrawals will be voluntary, but in the rare case that a student is involuntarily withdrawn from the college, such a withdrawal is determined by the Office of Student Development, in consultation with Campus Therapy Services, and approved by the Chief Academic Officer. This could occur if the student is exhibiting the following behaviors:

- Engages or threatens to engage in behavior which poses a danger of causing physical harm to self or others;
- Engages or threatens to engage in behavior which would cause significant property damage or directly or substantially impedes the lawful activities of other members of the College community; or,
- Is unable to engage in the basic required activities necessary to obtain an education.

Counseling Online Resources

To provide a convenient information and self-evaluation source for students to explore in the privacy of their choosing, Bethany College Campus Therapist Services has affiliated with the following not-for-profit organizations to provide accurate and direct information about mental health and substance use issues.

ULIFELINE: "ULifeline is an anonymous, confidential, online resource center, where college students can be comfortable searching for the information they need and want regarding mental health and suicide prevention" (ULifeline home page) — <http://ulifeline.com/page/main/Home.html>

The Jed Foundation: "The Jed Foundation is recognized as the nation's leading organization working to reduce emotional distress and prevent suicide among college students. Guided by leading experts, The Jed Foundation is changing the way students and their parents think about mental health, paving the way for more young people to get treatment and helping colleges create safer, healthier campus communities" (Jed Foundation home page) — <http://www.jedfoundation.org/>

Half of Us: Half of Us is a site affiliated with the Jed Foundation that offers "some quick tips that everyone can use to take control of their emotional health" — <http://www.halfofus.com>

Campus Nurse/Health Services

In partnership with the Lindsborg Family Health Clinic, Bethany College staffs a Nurse. If an ailment or illness needs additional care, the student will be referred to the appropriate medical professional off campus. Lindsborg Community

Hospital is equipped with urgent care Monday through Friday from 8:00am to 6:00pm and 10:00am to 1:00pm on weekends, as well as an emergency room for emergent after-hour situations.

The Nurse is located in the Health Services Office, which can be found in the lower level of the Pihlblad Memorial Student Union and is accessible to those with permanent or temporary mobility impairments (for example, wheelchairs or crutches). If a student cannot come to Health Services safely or without assistance, an email can be sent to healthservices@bethanylb.edu or a call may be made to the appropriate Residence Life staff member to make arrangements for the Nurse to see the student through a virtual visit.

The student's health record is kept on file. The information contained in the record is kept confidential and can be valuable in treating and better understanding the student. Several OTC (over the counter) medications are available free of charge for a variety of health problems. Injections can be given with an order from the ordering provider.

- *Illness of Students:* The services of the Nurse are free. Students are responsible for contacting their instructors for classes missed because of illness.
- *Immunization Records:* A copy of a student's immunization record should be provided to the Health Services along with the Student Health History form.
- *TB Screening:* Some students are required to have a Tuberculosis screening for classes or international travel. These are offered at no cost to students and the Nurses may administer them on Mondays.

Beginning July 1, 2007, Kansas Law requires all new incoming students and readmitted students residing in student housing to be vaccinated for meningitis. The Verification of Immunization or Waiver must be completed prior to being permitted to move into student housing. The forms can be obtained through the Student Development Office or through the Health Services Office.

Personal Injury and Illness

The department of Residence Life reserves the right to request medical assistance (including an ambulance) on a resident's behalf, should it be necessary. It is the department's policy not to transport injured or sick individuals. Medical care providers are instructed to bill the cost of their services to the resident. Also, Bethany College does not assume responsibility or liability for payment of medical bills that may be a result of accidental injury or illness while residents reside in the halls.

RESPONSIBILITY AND RESOLUTION PROCESS

Learning to live together in community is central to the experience of Bethany College. As an institution, we are committed to helping all our students develop a sense of what it means to be accountable to one another beyond the classroom: we seek to help students develop a sense of personal responsibility for facilitating the self-worth of their neighbor. Learning to live together in light of service, mutual respect, inclusiveness, and care is critical to the experience of being a Bethany College student. At Bethany, we seek to form students who have learned not only the academic skills to be successful citizens, but to become compassionate community leaders who foster the flourishing of those around them.

Living toward these ideals does not only happen on the Bethany College campus. As a college of the Evangelical Lutheran Church in America (ELCA), we seek to form students who hold to this sense of responsibility for their actions and conduct no matter where they are in the world. As long as someone is a student at Bethany College, it is expected they will live in a way that models and develops personal integrity wherever they might be in the physical or digital world.

Inevitably, community conflicts will arise and we will all fall short of the integrity expected of a Bethany College Student. The Responsibility and Resolution Process is designed to help students become accountable for their own actions and restore the wellness and relationships of all those involved in an incident at odds with the integrity for which we strive. Facilitated by the Student Development Office, but administered by staff and students from across the campus, this process serves as our means of resolving breaches in our community separate from any wider civil or criminal proceedings in the municipal, state, or federal court system.

The College reserves the right to withdraw any student from the College at the discretion of the Office of Student Development, as deemed necessary for the safety or well-being of members of this community. In all other instances the responsibility and resolution process will occur as outlined in what follows.

Philosophical Premise

The Community Standard at Bethany College is rooted in the principles of Restorative Justice. Restorative Justice is a form of justice rooted in ancient cultures from across the globe, which utilizes a method of open dialogue between all relevant stakeholders, including offenders, victims, and community, in the justice process. In this light, Restorative Justice is a holistic approach to justice that highlights the concepts of accountability, community, and healing for all relevant stakeholders. It is an approach that respects the voices of all parties involved and gives each the time and space to openly discuss their perspectives and concerns throughout the justice process. It is an approach that is individualized, with flexible outcomes that are tailored to the situation and designed to restore the health and balance of the participants within their community.

“Restorative justice is a process to involve, to the extent possible, those who have a stake in a specific offense and to collectively identify and address harms, needs, and obligations, in order to heal and put things as right as possible.”

-Howard Zehr, The Zehr Institute for Restorative Justice, The Little Book of Restorative Justice-

Furthermore, Bethany College honors each of its students and embraces their diversity and expression of self as individuals and as part of the community, a sentiment wholly aligned with the principles of Restorative Justice. And at Bethany College, our sense of community is so much more than an academic setting. It is a home away from home for students leaving their families for the first time. It is a thriving artistic and sports center in the heart of Lindsborg, Kansas. It is a beacon of the values laid out by its founders and the ELCA with which the College is associated. It is rooted in its heritage and a model 21 st century institution where students will be challenged and grow in the Liberal Arts tradition.

Procedures & Responsibilities

Rights of Students in the Resolution Process

- Reasonable access to the information prior to and throughout the process;
- Opportunity to respond to any information presented;
- The right to a fair and consistent resolution process.

Resolution Process

1. Initiation of the Process

- a. Incident Report (IR) is Filed: Any member of the Bethany College community can file an IR if they witness or suspect a member of the community has fallen short of the Community Standard we strive to uphold. The IR can be found under the Student Development tab of eSwede. Additionally, police reports given to the college regarding student behavior can take the place of an IR within the resolution process. All such reports are directed to the Resolution Facilitator for review.
- b. IR is Reviewed by Resolution Facilitator: Once an IR or police report is received by the Resolution Facilitator, it is reviewed to determine whether or not a violation of the Community Standards has taken place, as well as which department the possible violation falls under; academic misconduct is handled by the Chief Academic Office, any breach of Title IX Policy is handled by the Title IX Coordinator, and any violation of the wider Community Standards proceeds through this Resolution Process. If additional information is needed to ascertain the nature of the incident, the Resolution Facilitator may contact the reporter or any other persons who may provide insight into the matter.
- c. If the Community Standard Has Not Been Violated: If, after reviewing the IR, the Resolution Facilitator determines that the Community Standards have not been violated or a formal Resolution Process is not needed, the process will end at that time. However, even if the Resolution Facilitator determines that a matter should not be pursued under the Responsibility and Resolution Process, the Administrator may recommend that an educational conference be held with the reported student(s) so that the perceived issue is not repeated, or so that the reported student(s) may better understand the effects and consequences of the perceived actions.
- d. In the Case of Violence or Threatened Violence: If the incident in question puts the safety and wellbeing of members of the College community at risk, immediate steps to preserve the safety of the wider community can be taken, bypassing the Responsibility and Resolution Process. These steps may include, but are not limited to, immediate withdrawal of a student, suspension, or expulsion.
 - i. Please note that the College is not a haven from the legal authorities. The College will cooperate with the police in apprehending a violator of the civil or criminal code.

2. Notice:

- a. The Resolution Facilitator (or their designee) shall initiate the resolution process by sending written notice to the College email address of the reported student at least three (3) business days prior to a scheduled meeting with the Resolution Committee. The notice shall include: 1) a description of the alleged violations of the Community Standard; 2) the date and time of the conference in which the reported student must meet with the Resolution Committee (it is the reported student's responsibility to reschedule the meeting if they are unable to meet during the designated time); and 3) an outline of the student's rights and responsibilities during the Resolution Meeting.

3. Resolution Meeting

- a. At the Resolution Meeting, the Resolution Committee shall explain the process and answer any questions the reported student may have. Information regarding the alleged incident shall be presented and explained to the reported student, and the reported student shall have the opportunity to explain their understanding of what occurred. The reported student is expected to answer any questions that the Resolution Committee may have for them in regard to the alleged violation. If additional information is needed, the Resolution Committee may pursue further investigation into the matter.
 - i. Details about the location, meeting date and time, etc. will be communicated to the student in the Notice. The student's class schedule will be considered when a date/time is selected.
 - ii. The Committee generally consists of three individuals, both staff and students, who engage in a dialogue with the reported student; meetings are expected to last approximately thirty minutes.
 - iii. Students should expect to answer various questions about the incident in question and are asked to prepare beforehand. The goal of this meeting is to better understand what occurred and why.
- b. In the unfortunate event that the reported student does not attend the conference meeting, the Resolution Committee can decide the outcome of the case in the reported student's absence.

4. The Resolution

- a. After the Resolution Meeting, the Resolution Committee will evaluate all information provided and shall determine whether the reported student is or is not responsible for the alleged violation. It is the Resolution Committee's goal to communicate a decision based on the findings made by the Committee to the reported student no later than ten (10) business days after the conference. Should the investigation require more research after the conference meeting, further conferences may be scheduled, and decisions may be delayed. Delay of decision does not absolve student responsibility.
- b. The Resolutions made by the Committee are final due to the structure of the reconciliation process.

Addressing Harms, Needs, and Obligations

Below is a non-exhaustive list of responsibilities an individual may need to undertake in order to restore a right relationship with the community. What responsibility or responsibilities are appropriate in a particular incident will depend on the circumstances. Responsibilities may become more severe if multiple violations of the community standards are made in conjunction to one another. These responsibilities may include:

- Letter of apology

- Donation of items to the Dala Pantry
- Community Service

Other General Information Regarding Student Relations

Speech, Assembly and Expression

The ability to inquire, evaluate, express views, display expression through clothing, and assemble are essential privileges granted to all members of the College community. These privileges are acceptable as long as the normal operation of the College is not disrupted and are not in direct violation of the college's mission or code of conduct. The privilege of protest and/or dissent will be protected or honored, provided it does not affect the rights of individuals, the safety of person and property, and the continuation of the educational functions. Interference with members of the College in the performance of their duties and activities is prohibited, as are acts which are illegal under local, state, or federal laws.

Demonstrating and Expressing Dissent On-Campus

Bethany College supports and grants the privilege of demonstrating opposite views on campus. If an individual or group wished to demonstrate dissent, please be aware that the activity cannot disturb the normal operation of the college.

Please note the following steps:

1. Visit with the Dean for Student Development
2. Receive an application form and other relevant information. On-campus groups will complete the Event Registration Form. Off-Campus groups must complete a Facility Use Agreement.

Bethany College Policy Prohibiting Illegal Discrimination

Bethany College prohibits discrimination on the basis of race, religion, color, sex, gender identity, sexual orientation, disability, national origin, ancestry, veteran status, and age in accordance with Titles VI and VII of the Civil Rights Act of 1964, Title IX of the Education Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, The Americans with Disabilities Act, the Vietnam Veterans Readjustment Assistance Act of 1974, The Kansas Acts Against Discrimination and all other applicable Federal and state laws.

The non-discrimination policy applies to all conditions of employment and educational programs at Bethany College. Campus leaders and administrators constantly strive to implement strategies to prevent discrimination wherever necessary. This type of behavior is contrary to the stated mission and purpose of Bethany College.

Individuals who feel that they have experienced discrimination or harassment based on one of the prohibited characteristics may, make a report with the Director of Human Resources, who serves as the Equal Opportunity Officer and Title IX Coordinator (Presser Hall, 785-227-3380, x 8119). This process is discussed more below.

Campus and Workplace Violence/Weapons

Bethany College prohibits the use of violence. Students engaging in any violence on or off-campus and in the campus workplace, or who threaten violence on or off campus and in the campus workplace will face immediate disciplinary

action. No talk of violence or joking about violence will be tolerated and if occurs student(s) may be subject to an evaluation by a licensed counseling professional at their own expense.

“Violence” includes physically harming another, shoving, pushing, striking, brandishing weapons, and threatening or talking of engaging in those activities. It is the intent of this policy to ensure that everyone associated with Bethany College, including students, never feels physically threatened by any person’s actions or conduct.

Security Measures. In an effort to fulfill this commitment to a safe environment, a few simple rules have been created. These are:

1. Access to Bethany College’s property is limited to those with a legitimate business interest.
2. All students may be required to show Bethany College identification card and all vehicles entering the property must display Bethany College identification.

Weapons include guns (including BB guns), knives, hunting knives, switchblades, explosives, and other items with the potential to inflict harm. Appropriate disciplinary action, up to dismissal or referral to law enforcement officials, will be taken against any student who violates this policy.

Bethany College Logo/Mascot

If you would like to use the Bethany College logo or mascot, please refer to the Bethany College Brand Manual for proper use instructions. A copy can be found in the Director of Campus Activities’ office, and a digital copy can also be found on eSwede. The Director of Communications and the Director of Publications are also available to answer logo or mascot questions.

Soliciting

Any member (or group) of the Bethany College community or non-member (or agency) soliciting on the campus or associating the College with an off-campus solicitation must have prior approval from the Student Development Office. If approval is granted a permit for the designated project will be issued. The permit will indicate time and place appropriate for solicitation. Upon request the individual (or group) must display the permit. Unauthorized solicitations (those without permits) are to be reported to the Student Development Office and are subject to disciplinary action.

This procedure is not intended to stifle legitimate concerned campaigns to solicit for good causes, but rather to curb individuals from misrepresenting agencies for personal gain. The basic criteria for the request would contain the names of the individuals involved, summary of purpose and information detailing the results of the solicitation. On-campus groups would need an advisor’s signature on the request for a permit. Request forms are available in the Student Development Office. A permit is necessary for non-profit and profit solicitations.

Generally, solicitation in the housing units (rooms and halls) is prohibited. Only private meetings between individuals (with their prior approval) and sales representatives are allowed. Special cases of soliciting in halls must be approved through the permit process and the Director of Residential Education and Services.

Insurance Protection and Students

Bethany College does not insure against accidents or injury to students which may occur during college-sponsored activities, whether on or off campus. College officials will make every reasonable attempt to advise students of the potential danger of accident or injury. Students are expected to act responsibly by taking necessary precautions to prevent accidents. In the event a student is not insured through his or her parent's homeowners or health insurance policies as a dependent, the student is advised to protect him or herself from the financial burden of accident or injury through a personal insurance policy.

On occasion, a student may be required to obtain professional liability coverage as a prerequisite for student teaching, social work field placement or other off-campus experience. In the event the student is not covered by a personal liability clause on his or her parents' homeowner policy, an inexpensive comprehensive liability policy can be obtained by the student at his or her expense. The Business Manager will assist students in seeking such insurance.

Legal Assistance for Students

On occasion, a student might find it necessary to enlist the assistance of an attorney in solving a personal problem. Bethany College does not provide direct legal assistance to students.

The Kansas Bar Association maintains a lawyer referral service as a public service program. By calling the KBA's toll free telephone number, a student can be referred to a nearby attorney who will charge a minimal fee for the first consultation. The address and telephone number of the Lawyer Referral Service of the Kansas Bar Association is: 1200 Harrison, P.O. Box 1037, Topeka, KS 66601, 1-800-928-3111.

Another legal assistance resource is Legal Services of North Central Kansas, which provides legal assistance to persons of limited financial means. Staff attorneys of this agency will assist qualified persons in all types of civil cases. Legal Services may refuse to represent a person if that person has adequate financial resources to hire his/her own attorney. Further, they are prohibited from representing any person charged with a crime. The agency is located in Salina at 234 North Santa Fe, Suite 201, and can be by telephone at the following number: 1-785-825-8147.

Finally, the Lindsborg telephone directory yellow pages lists all McPherson county attorneys under the heading "Attorneys." Appointments can be scheduled with any of these attorneys during normal business hours.

Technology/Computer Services

Bethany College offers PC computer equipment that is available for student use. Locations include a computer lab in Nelson Science Center—Room 129, the Mingenback Art Center DMA Labs (rooms 129 and 130), and the Wallerstedt Learning Center Computer Pod Area. All machines offer full local network and internet access and are outfitted with software that includes Google Chrome, Internet Explorer, and Microsoft Office Suite. Mingenback DMA Labs also have the Adobe Creative Cloud program installed. Printing services are also available in the Nelson Science Center lab and Library Pod. Students' first 300 pages are free, after that students can recharge their printing accounts at \$0.03 per page.

Student email accounts can be accessed via webmail at Gmail.com. The Gmail App for your smartphone is the recommended viewing method for tablets and smartphones.

The Bethany College computer network is secure and requires the user to validate with their Bethany email credentials before being permitted to access its resources. Students must first be given a username and password. These should be provided as part of the enrollment process, however, should there be a need, the Admissions Office can assist in creating these accounts. The I.T. Department can assist in resetting passwords. Due to the need to verify identity, all password resets must be done in person either at the Admissions Office or the I.T. Department. Each student will be given a user account with all the features of Google Apps, including Gmail and Drive, and with unlimited cloud storage for email, files, and photos. Each student account also comes with access to the full Microsoft Office 365 suite, as well.

Hours of operation for the Nelson Science Center Computer Lab during the regular academic semester are 7am to 10pm, Monday through Sunday. Summer hours of operation are 8am to 5pm, Monday through Friday. The labs are closed for all legal holidays.

Student Wi-Fi service is available in the residence halls and on the main campus. The residence hall wireless network is encrypted and requires a passkey. This information may be obtained from the Student Development Office.

The normal hours of operation for the Bethany I.T. Department are 8am to 5pm, Monday through Friday. Help Desk requests may be submitted through the HelpDesk portal at: <https://helpdesk.bethanylb.edu:9676/portal>.

Email Policy

The College has a need to send communications to students, faculty, and staff via email and the right to expect that those communications will be received and read in a timely fashion. Bethany College expects all full- and part-time students registered in a degree program, as well as all faculty, administrators, and staff, to activate and actively maintain their BC email account in order to be able to receive College communications.

Students are expected to check email on a frequent and regular basis in order to stay current with College-related communications, recognizing that certain communications may be time-sensitive. It is recommended that email be checked daily, but at a minimum must be checked every other day. Regular email management will also minimize the risk that the inbox will become cluttered and unorganized. Undeliverable messages returned because of a use of a “spam” filter or other filtering software/hardware will be considered delivered without further action required by the College.

Email Account and Computer Usage

Each account belongs to the person to whom it is issued and only that person is authorized to use it, other than the guidelines below:

- The senior systems administrator has the authority to monitor all accounts. Every effort will be made to maintain privacy and security in this process.
- Accounts may be monitored, tracking the time spent on the system and use of resources, such as disk storage, pages printed, messages mailed, and Internet time.

- The senior systems administrator and Bethany faculty have the right to distribute files necessary for class work to individual accounts and have the right to view those files that are for the purpose of the faculty member's class(es).
- Each user will be expected to exercise responsible behavior when on the network.
- Each user will be held accountable for work created when the user's account has been accessed. Do not leave an account open when you leave a computer terminal.
- You may not use the computer to annoy, harass, terrify, intimidate, threaten, offend, or bother another person by conveying obscene language, pictures or other material, or threats of bodily harm.
- Playing recreational games is discouraged in the labs and anyone playing games may be asked to relinquish the use of the computer to others who need it for academic purposes.

The following are examples of unacceptable uses of the network:

- Using or attempting to use someone else's network account.
- Using the network for any illegal activity, including violation of copyright or other contracts.
- Using the network for financial or commercial gain.
- Degrading or disrupting the functioning of hardware, software or system performance.
- Vandalizing, altering, or tampering with the data of another user.

Violation by any user of the guidelines or prohibitions provided in this document by the systems administrator, or by Bethany College, may result in:

- Restricted network access.
- Loss of access to one's account.
- Disciplinary or legal action including, but not limited to, criminal prosecution under appropriate state and federal laws.

Bethany College Information Technology/Audio-Visual Policy

Scope

The purpose of the Bethany College Acceptable IT/AV Use Policy is to provide guidelines for use of College owned equipment, internet access, email, and user owned technologies connected to the Bethany College Network. This policy states that all computer and electronic transmissions, including communications transmitted by, received from, or stored on Bethany College equipment, are property of the organization.

Introduction

1. Bethany's Acceptable Use Policy ("AUP") is intended to help enhance the use of Bethany's Internet/Intranet (the "Net") by preventing unacceptable use. All users of Bethany's Internet/Intranet services (the "Services") must comply with this AUP.

The 1998 Digital Millennium Copyright Act (DMCA) provides both civil and criminal penalties for copyright infringement violations. The penalties include both fines and injunctive relief. Further, persons or entities found liable for copyright infringement violations may be responsible for the owner's costs and attorney fees.

Do you use peer-to-peer file-sharing software?

Did you know that music, movies, games, and software are protected by federal copyright law?

Did you know that downloading or distributing these materials without the stated permission of the copyright owner is illegal?

The DMCA outlines specific steps that Internet Service Providers like Bethany College must take when their users violate copyright laws.

Bethany College supports the free flow of information and ideas over the Net, but it will periodically monitor the use of the Services. Similarly, Bethany does not exercise editorial control over the content of any electronic mail transmission, newsgroup, or other material created or accessible over or through the Services. Bethany College may cooperate with legal authorities and/or third parties in the investigation of any suspected or alleged crime or civil wrong. Your violation of this AUP may result in the suspension or termination of either your access to the Services and/or your Bethany user account or other actions as detailed in Section 3.

The policies stated here shall not be regarded as all-inclusive according to the DMCA and the No Electronic Theft Act. The absence of a specific statement prohibiting a certain activity does not mean the activity is acceptable. Any activity or use not specified in these statements that is determined to be detrimental to the Bethany College computer system is prohibited.

2. Violations of Bethany College's Acceptable Use Policy (AUP)

The following constitute violations of this AUP:

- a. Network Accounts. Using a network account, ID, or password issued to another individual, or allowing another individual to use your network account, ID, or password. Accounts are intended for the sole use of the individual for whom they were created. That user is responsible for safeguarding their IDs and passwords, and is responsible for any and all usage on their assigned account.
- b. Illegal Use and Copyright or trademark infringement. To transmit any material (by email, uploading, posting, or otherwise) that, intentionally or unintentionally, violates any applicable local, state, national, or international law, or any rules or regulations promulgated hereunder. Using Bethany College Internet Services to infringe upon any type of copyright, trademark, patent, trade secret, or other proprietary rights of any third party, including, but not limited to, the unauthorized copying of copyrighted material, the digitization and distribution of photographs from magazines, books, or other copyrighted sources, and the unauthorized transmittal of copyrighted software as per the Digital Millennium Copyright Act is prohibited.
- c. Harm to minors. Using the Services to harm, or attempt to harm, minors in any way.
- d. Threats. Using the Services to transmit any material (by email, uploading, posting, or otherwise) that threatens or encourages bodily harm or destruction of property.

- e. Harassment. Using the Services to transmit any material (by email, uploading, posting, or otherwise) that harasses another.
- f. Fraudulent activity. Using the Services to make fraudulent offers to sell or buy products, items, or services, or to advance any type of financial scam such as “pyramid schemes,” “ponzi schemes,” and “chain letters.”
- g. Forgery or impersonation. Adding, removing, or modifying identifying network header information in an effort to deceive or mislead is prohibited. Attempting to impersonate any person by using forged headers or other identifying information is prohibited.
- h. Unsolicited commercial email/Unsolicited bulk email. Using the Services to transmit any unsolicited commercial email or unsolicited bulk email. Activities that have the effect of facilitating unsolicited commercial email or unsolicited bulk email whether or not that email is commercial in nature are prohibited.
- i. Unauthorized access. Using the Services for creating Web Servers, ICQ servers, MP3 servers, Chat servers, etc. or any program that others can access on your machine. Using the Services to access, or to attempt to access, the accounts of others, or to penetrate, or attempt to penetrate, security measures of Bethany’s or another entity’s computer software or hardware, electronic communications system, or telecommunications system, whether or not the intrusion results in the corruption or loss of data.
- j. Collection of personal data. Using the Services to collect, or attempt to collect, personal information about third parties without their knowledge or consent.
- k. Reselling the services. Reselling the Services without Bethany’s authorization.
- l. Network disruptions and unfriendly activity. Using the Services for any activity that adversely affects the ability of other people or systems to use Bethany’s Services or the Net. This includes “denial of service” (DoS) attacks against another network host or individual user. Interference with or disruption of other network users, network services, or network equipment is prohibited. It is the Member’s responsibility to ensure that their computer is configured in a secure manner. A student may not, through action or inaction, allow others to use their computer for illegal or inappropriate actions. A user may not permit their computer, through action or inaction, to be configured in such a way that gives a third party the capability to use their computer in an illegal or inappropriate manner (no file sharing).
- m. News. Users should use their best judgment when posting to any newsgroup. Many groups have charters, published guidelines, FAQs, or “community standards” describing what is and is not considered appropriate. Usenet can be a valuable resource if used properly. The continued posting of off-topic articles is prohibited. Commercial advertisements are off-topic in most newsgroups, especially regional groups not specifically named for such. The presence of such articles in a group is not indicative of the group’s “intended” use. Please familiarize yourself with basic USENET netiquette before posting to a newsgroup.
- n. Long Connections and Multiple Logins. Using a personal account for high volume or commercial use is prohibited. The Services are intended for periodic, active use of email, newsgroups, and browsing the World Wide Web. Users may stay connected so long as they are actively using that connection for the above purposes. Students may not use the services on a standby or inactive basis in order to make a connection. Pinging is expressly prohibited. Accordingly, Bethany College maintains the right to terminate any connection following any extended period of inactivity.

- o. Damage. Users are to take reasonable precautions to limit damage to computer systems, data and output resulting from food and drink. Any damage deemed “intentional” whether it be from food, drink or physical abuse is prohibited.

3. REPORTING VIOLATIONS OF BETHANY’S AUP

Bethany requests that anyone who believes that there is a violation of this AUP direct the information to the Bethany I.T. Department (227-3380 Ext 8365).

If available, please provide the following information: The date and time of the alleged violation, including the time zone or offset from GMT Evidence of the alleged violation

4. VIOLATION PROCEDURE:

In the event a violation is determined to have taken place, specific sanctions will be administered on a case-by-case basis through consultation between either the Dean of Students (all violations other than academic integrity) or the Provost (academic integrity violations) or the Director of Computer Services. If a violation of this AUP is determined and sanctions are issued, the user who has been deemed to be in violation of this AUP may appeal the imposed sanction if an appeal is otherwise available by the Student Conduct Code, or any applicable Administrative or Faculty Handbook.

5. VIOLATION ACTIONS

Bethany College may take any one or more of the following actions in response to complaints:

- issue written or verbal warnings
- suspend access
- terminate access
- dismissal from Bethany College
- legal action to enjoin violations and/or to collect damages, if any, caused by violations.

6. REVISIONS TO THIS ACCEPTABLE USE POLICY

Bethany College reserves the right to revise, amend, or modify this AUP, and our other policies and agreements at any time and in any manner. No unapproved personal network equipment (for example: routers, wireless access points, etc.) is allowed connection to the Bethany College Network. Contact the Director of Computer Services for approval procedures.

COVID ADDENDUM

The following section of the Bethany College Student Handbook relates to the ongoing COVID-19 pandemic. These policies and procedures became effective Fall 2020 and have been modified based on the current CDC guidelines.

Vaccines are encouraged for each member of our campus community. Students have been asked to upload vaccine cards or report an exemption, and employees were confidentially surveyed both in an effort to gather data on vaccination rates and interest in vaccine availability. Vaccines will be made available on campus for students. Protocol will focus on CDC guidance for a campus of people who are a mix of fully vaccinated and unvaccinated, requiring decisions to affect the campus and the surrounding community.

Cleaning of Public Spaces on Campus

Public spaces, including classrooms and public spaces in residence halls, will be cleaned regularly by maintenance staff.

Cleaning of Private Spaces on Campus

Private spaces on campus are residence hall bedrooms and bathrooms. Students will be required to clean and maintain private spaces on campus. Students living in the residence halls are encouraged to bring cleaning supplies with them, including, but not limited to, sanitizing wipes and spray, paper towels and sponges, hand sanitizer, face masks, and gloves. Although the [risk of being infected by a contaminated surface is low](#), daily cleaning is always recommended. In high traffic areas, shared spaces, high touch surfaces, or when someone has had COVID-19, students should [clean](#) and [disinfect](#).

Daily Health Screening

Students will be asked to complete a daily health screening that will include taking their temperature and acknowledgement that they do not have COVID-19 symptoms. This can be done through the SwedeSafe phone app. Also, through the SwedeSafe app, students can upload a vaccine card to show a badge for identification as required for the safest use of some campus spaces.

Acknowledgement of Responsibility

Upon check-in, all students are required to complete an acknowledgement of responsibility form.

Face Masks

Upon consultation of a variety of health resources, Bethany College will require all employees and students who are not vaccinated to wear face masks or coverings in all indoor public spaces on campus. If students are in their room, they can remove their mask. It is important to have a mask with you at all times.

Health Resources for Students

If you have symptoms of the coronavirus, you are responsible for contacting Health Services. Health services are available on Monday and Thursday on campus from 10:00am to 1:00pm. The on-campus number for Health Services is 785-227-3380 ext. 8181. If you need assistance at any other time outside of the on-campus hours, please call the Lindsborg Community Hospital at 785-227-3371. You can ask for Courtney, or ask to speak to a nurse. **It is important that you relay that you have a COVID-19 concern AND that you are a Bethany College student.** The nurse will direct you on how to proceed. If you have to leave a voicemail, a nurse will return your phone call. Telehealth appointments are available with a smartphone.

Quarantine

Students traveling to campus from a state or country on the Kansas Department of Health and Environment Quarantine Travel list will be required to quarantine upon arrival to campus for two weeks before they can move to their assigned room. Those subject to quarantine should pick up meals during the first 30 minutes of each meal time at the window just to the north of the interior entrance into the dining hall of the CAF, and must wear a mask, even if vaccinated, to do so. Meal times can be found on page 26 of this Handbook, under the Food Services section.

Students who are directed to quarantine or isolate per the campus nurse or a medical provider will be communicated all instructions through Bethany email and shall follow those instructions as it pertains to contacting professors, meals, outdoor time, etc.
