

# THE JEANNE CLERY DISCLOSURE OF CRIME STATISTICS

## Crime Categories

The crime definitions are listed in order of seriousness. When counting multiple offenses, the “hierarchy” rule requires that you count only the most serious offense committed during a single incident. The exclusion to this is arson. Arson is always counted as an offense regardless of the nature of any other offenses that were committed during the same incident.

The Clery Act does not differentiate between attempted and completed crimes. For example, an incident involving an attempted forcible rape is counted as a forcible sex offense. The only exception to this rule applies to attempts or assaults to murder wherein the victim does not die. These incidents should be classified as aggravated assaults rather than murders.

**Murder/Non-Negligent Manslaughter:** the willful (non-negligent) killing of one human being by another. NOTE: deaths caused by negligence, attempts to kill, assault to kill, suicides, accidental deaths, and justifiable homicides are EXCLUDED.

**Negligent Manslaughter:** the killing of another person through gross negligence.

**Robbery:** the taking or attempting to take anything from value of the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

**Aggravated Assault:** an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. It is not necessary the injury result from an aggravated assault when a gun, knife or other weapon is used which could or probably would result in a serious potential injury if the crime were successfully completed.

**Burglary:** the unlawful entry of a structure to commit a felony or a theft. For reporting purposes this definition includes: unlawful entry with intent to commit a larceny or a felony; breaking and entering with intent to commit larceny; house breaking; safecracking; and all attempt to commit any of the aforementioned.

**Motor Vehicle Theft:** the theft or attempted theft of a motor vehicle. (Classify as motor vehicle theft all cases where automobiles are taken by persons not having lawful access, even though the vehicles are later abandoned-including joy riding).

**Weapon Law Violations:** the violations of laws or ordinances dealing with weapon offenses, regulatory in nature, such as: manufacture, sale, or possession of a deadly weapon; carrying deadly weapons, concealed or openly; furnishing deadly weapons to minors; aliens possessing deadly weapons; all attempts to commit any of the aforementioned.

**Arson:** the willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, or personal property of another kind.

**Drug Abuse Violations:** violations of the state and local laws relating to the unlawful possession, sale, use, growing, manufacturing, and making of narcotic drugs. The relevant substances include: opium or cocaine and their derivatives (morphine, heroin, codeine); marijuana; synthetic narcotics (Demerol, methadone); and dangerous non-narcotic drugs (barbiturates, Benzedrine).

**Liquor law Violations:** the violations or ordinance prohibiting: the manufacture, sale, transporting, furnishing, possessing of intoxicating liquor; maintain unlawful drinking places; bootlegging; operating a still; furnishing liquor

to minor or intemperate person; using a vehicle for illegal transportation of liquor; drinking on a train or public conveyance; all attempts to commit any of the aforementioned. (Drunkenness and driving under the influence are not included in this definition.)

## Location Definitions

**On Campus:** (1) any building or property owned or controlled by an institution within the same reasonable contiguous geographic area and used by the institution in direct support of, or in a manner related to, the institution's education purposes, including residence halls; and (2) any building or property that is within or reasonably contiguous to paragraph (1) of this definition, that is owned by the institution but controlled by another person, is frequently used by students, and supports institutional purposes (such as a food or other retail vendor).

**Non-campus Building or Property:** (1) any building or property owned or controlled by a student organization that is officially recognized by the institution; or (2) any building or property owned or controlled by an institution that is used in direct support of, or in relation to, the institution's educational purposes, is frequently used by students, and is not within the same reasonably contiguous geographic area of the institution.

**Public Property:** all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from campus.

The Clery Act requires institution to separately report all Hate Crimes statistics on any of the previously mentioned offenses or any other crime involving bodily injury reported to local police agencies or to a campus security authority, that manifests evidence that the victim was intentionally selected because of the perpetrator's bias or the perpetrator perceived the person to be in one of the protected group categories. There are six types of bias categories: Race, Gender, Religion, Sexual Orientation, Ethnicity/National Origin, and Disability.
